

Material Safety Data Sheet

In accordance with § 91/155

Product: **Customer Own Label Spotter**

Date of issue: January 2020

revised on:

Page: 01/02

1. Identification of the substance/preparation

Supplier: Cleaning Warehouse,

Unit A10, The Square,
Grants Rd, Greenogue Business Park,
Rathcoole, D24H512

Emergency phone: 018092166 National Poison Centre Beaumont

2. Composition / Information on ingredients

Chemical characteristics: Cleaning agents in aqueous solution

Dangerous substances:

Details of R-phrases see paragraph (15)

3. Hazards identification:

No particular hazards known.

4. First aid measures:

-in case of inhalation: Ensure supply of fresh air.

-in case of contact with skin: Wash off with warm water. Consult a doctor if skin irritation persists.

-in case of contact with eyes: Rinse thoroughly with plenty of water and seek medical advice.

-if swallowed: Rinse out mouth and give plenty of water to drink. Refer for medical treatment.

5. Fire-fighting measures

-Suitable extinguishing media:

Product itself is non-combustible, fire extinguishing method of surrounding areas must be considered.

Extinguishing media not suitable for safety reasons: not applicable.

-Special risk of the product itself: not applicable.

-Additional information / special protection: not applicable.

6. Accidental release measures

-personal precautions: High risk of slipping due to leakage/spillage of the product.

-environmental precautions: Prevent spread over a wide area (e.g. by container or oil barriers).

-Methods for cleaning/taking up: Take up with absorbent material (i.e. sand). Dispose of absorbed material in accordance with local regulations.

7. Handling and storage

Handling: Advice on safe handling: No special measures necessary if used correctly.

Storage: Requirements for storage room and containers: dry and frostfree in closed original containers.
-Advice on storage compatibility: Do not store together with acids.

8. Exposure controls / personal protection:

-Technical protection measures:

Components with limit values to be observed in working areas:

Product: **Customer Own Label Spotter**

Date of issue: January 2020

<u>CAS-Nr.</u>	<u>Description</u>	<u>kind</u>	<u>value</u>	<u>unit</u>
----------------	--------------------	-------------	--------------	-------------

No exposure restrictions.

Personal protection equipment:

-Respiratory protection: Not applicable

-Hand protection: Not applicable

-Eye protection: Protective goggles

-Skin protection: Not applicable

-General protective measures: Avoid contact with eyes and skin.

-Precautions and hygiene measures: Use barrier skin cream. Wash hands before breaks and after work.

9. Physical and chemical properties

Form: liquid Colour: clear Odour: odourless pH-value: 8,9

-flash point: Not applicable.

-density: at 20° C

-solubility in water: miscible

10. Stability and reactivity

-thermic decomposition: Not known if used correctly.

-hazardous reactions: Reactions with acids and strong oxidizing agents.

-hazardous decomposition products: No hazardous decomposition products known.

11. Toxicological information

Acute toxicity: Dimension Species Value:

-General remarks: No toxicological data are available. The product was classified on the basis of the calculation procedure of the preparation directive (88/379/EEC)

12. Ecological information:

-Classification of water contamination: 1 (self assessment according to VCI-concept), waste key 51540, other salts, soluble.

13. Disposal considerations

Product: Recommendation: Disposal in accordance with local regulations.

Uncleaned packaging: Recommendation: Packaging that cannot be cleaned should be disposed of as for product.

14. Transport information

Land transport/ Marine transport/Air transport

-ADR/RID/GGVS/GGVE, GGVSee/IMD6Code, ICAO/IATA-DGR: no dangerous product.

15. Regulatory information

labelling according to regulations for dangerous products

-Code letter and description of endangering: According to EC regulations the product is not subject to special marking.

-endangering substances to be mentioned on label:

-R-phrases:

-S-phrases: Keep out of the reach of children.

16. Other information

The declarations are based on our present standard of knowledge and comply to legislation. The information provided in this safety data sheet describes the safety requirements of our product and does not represent a guarantee of special properties of the product.
